

# Options Overview and Timeline 2018

## Overview

- Students will study GCSE English, Maths and Science (worth 2). Every student will also have 2 lessons per week of PE and 2 lessons of RE
- Students will choose 3 option subjects
- Each student *may* have an individual interview accompanied by their parent or carer. This will only happen with students who we identify as needing extra support or who request it. Many students will be happy to make their choices independently.
- All subject information to be made available electronically only in the form of a subject information sheet. These will be posted on the school website, under the curriculum link.
- There will be a series of assemblies for foundation subjects to inform students about the demands of their subject in KS4
- The whole process and final options forms should all be completed online by April 11th in order to inform the timetable

## Timeline

**Wednesday 14th December**  
Year 9 Options Assembly

**During January and February**  
Options booklets updated and available on School website from Wednesday Jan 30th
