Statement of Intent

St Michaels is committed to careers education as a vital means of giving all students the skills, knowledge and understanding to manage their own lifelong learning and career development. Careers education information advice and guidance (CEIAG) will prepare all students for the opportunities, responsibilities and experiences of education, training and employment and also the challenges of adult life. Careers education will both compliment and integrate with the PSHE and Citizenship programme. Emphasis will be upon impartial, confidential and informed advice, delivered within a framework of equal opportunities.

This policy is underpinned by Sections 42A and 45A of the Education Act 1997, and has regard to the DfE's statutory guidance, 'Careers guidance and inspiration in schools', which was last updated in March 2015.

The main aims of careers provision at St Michaels's Church of England High School are to:

- Prepare pupils for life post-education
- Develop an understanding of different career paths
- Develop an understanding of the differences between school and work
- Inspire pupils to chase and achieve their dreams
- Help pupils to access information on the full range of post-16 education and training opportunities
- Support pupils after leaving school
- Offer targeted support for vulnerable and disadvantaged young people
- Instil a healthy attitude towards work
