Introduction

St Michael's Church of England High School insists on high standards of uniform. It is important that students take pride in their appearance and are aware of the impression their appearance makes within the community. The Headteacher will be the arbiter in all matters relating to uniform, dress and appearance. Parents/carers and students are advised to consult a member of the School Leadership Team, if they are considering uniform, dress or appearance changes that might conflict with the school policy.

Sanctions

Any student who arrives out of uniform, in unsuitable uniform, wearing inappropriate jewellery, or with an unsuitable hairstyle or hair colour may be removed from lessons and their parent/carer contacted. A record will be made in a student's file. If a student persistently ignores the uniform code, the school will need to employ further sanctions.

Aims and Objectives

Our policy for school uniform is based on the notion that school uniform:

- Is practical, smart and designed with health and safety in mind;
- Promotes a sense of pride in the school;
- Engenders a sense of community, shared identity and belonging towards the school;
- Makes children feel equal to their peers in terms of appearance;
- Is regarded as suitable wear for school and is considered by parents as good value for money.

The Role of Parents

We ask all parents who send their children to our school to support the school uniform policy. It is the responsibility of parents to ensure that their child has the correct uniform and that it is clean and in good repair.

Parents should label all items of school uniform, including shoes and trainers. The school cannot accept any responsibility for items of clothing lost in school: parents must instil in children the concept that they are responsible for their personal belongings.

The Role of Governors

It is the governors' responsibility to ensure that the school uniform meets all the regulations concerning equal opportunities.

The governors will consider, with the Head, any requests from parents for individual children to have special dispensation, either for religious or medical reasons, with regard to school uniform.

Equality

At St Michael's Church of England High School, equality considerations are central to all that we do. We are committed to promoting equality of opportunity and to preventing all unlawful discrimination whether against individuals or groups on grounds of religion, age, race, gender, physical or learning disability.

Footwear

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes that have platform soles or high heels and these are not permitted. Trainers are not suitable for daily wear to school. This type of footwear is damaging, in the long term, to growing feet and is only appropriate for sports, PE or leisurewear, neither is it in keeping with the smart appearance of a school uniform. Sensible, flat shoes are required (no flip flop sandals).

PE

It is a legal requirement that all children participate in PE lessons. Students must have their PE kit in school at all times and are required to change into their PE kit for PE lessons.

Non-Uniform Days

From time to time there will be non-uniform days when children and staff may come to school in their everyday clothes; these days will be fund-raising events and members of the school community may be asked to contribute a sum of money for the privilege of not wearing uniform. On non-uniform days the following items of clothing are not permitted:

- High heeled shoes or open toe sandals;
- Strappy tops which expose the shoulders;
- Cropped tops which expose the midriff;
- Very short skirts;
- Jewellery of any kind (except permitted items – see above);
- Long skirts that touch the ground;
- T shirts or other garments with inappropriate slogans.

Mobile Phones

We recognise that most adults now carry a mobile phone and that they are seen as an essential part of modern living. However, we still need to reinforce their appropriate use in school. As would be expected in any theatre, cinema or adult meeting, can you please emphasise that your son's/daughter's mobile should be switched off in lessons and kept concealed in their bag or inside pocket.

If students are observed with mobiles in the school building, they will be confiscated by members of staff and placed in the school office for collection at the end of the day. Should there be a second occasion, a letter will be given to the student and then the phone will have to be collected by parents. We are sure you can appreciate the potential disruption that over a thousand mobile phones could make in an educational establishment and will support us in this stance. Can we respectfully ask if you need to contact your son/daughter during the school day, to do this through the school reception? At the same time, students who need to make contact with parents should also go through the school reception.

MP3s / iPods

The same sanctions will apply to music players as mobile phones. Can we also remind you that students bring these pieces of, sometimes very expensive, equipment into school at their own risk and that the school cannot be held responsible for their loss, theft or damage under any circumstances. If you have any concerns regarding their safe-keeping, they should either remain at home or be insured appropriately.

Planners

In preparing for learning, can we emphasise the point that all students need to come to school with a bag, pencil, ruler, eraser, and their planner. Student planners are one of the first points of communication between home and school and an aid to your son's/daughter's organisational development. Please take the time to check and sign them on a regular basis and do not hesitate to inform us regarding any issues that may need to be addressed.

Smoking

There is a total smoking ban in all public buildings: this is enforceable by law. Smoking or using Vape Pens on St Michael's premises, including the grounds, is strictly forbidden. Students who break this rule are liable to be fined through the courts and will be excluded from school.
