Dear Parent/Carer,

Re: End of year examinations

I am writing to inform you about your child's upcoming end of year examinations. These formal assessments are vital in helping students develop exam skills and revision techniques in preparation for the demands of Key Stage 4. It also enables staff to gain an accurate assessment of the progress made over the course of the year.

End of year examinations give students the opportunity to practice under examination conditions. It is important that students take these assessments seriously and revise thoroughly. Your support in encouraging your child to engage with revision at home would be much appreciated. If you have any questions or concerns about this, please contact me on the number below.

It is also vital that students conduct themselves appropriately, to prepare themselves for their real exams. Therefore, if students break the examination code of conduct, they will be removed from the examination and placed in Refocus. Students are required to wear full uniform and have the necessary equipment for their exams, as they would during normal class time. It is advised that mobile devices and/or tablets are left at home during these days. Alternatively, they must be placed in their lockers. Printed overleaf is a copy of your child's individual examination timetable for your information.

Thank you for your support.

Yours faithfully,

Mr Bending
