

Qualification Name	Vocational ICT
Exam Board	To Be Decided
Type (e.g. GCSE/BTEC Certificate)	Vocational
Level (1,2 or both)	Both
GLH (Guided Learning Hours)	120
Course Content Outline (What Will I study?)	<ul style="list-style-type: none"> • The Government has not yet finalised the list of approved ICT qualifications but have told schools to expect an announcement in May 2017. • What we do know is that there will be a qualification that is mostly coursework, with some examined element, that focuses on using ICT covering areas like:- <ol style="list-style-type: none"> 1. Using Microsoft Office Software 2. Website building 3. Graphics software 4. Sound and video editing 5. Presentation skills 6. Combining different software to respond to a business or organisational problem <p>It is not possible to be 100% certain at this stage that these exact topics will feature but all the proposed qualifications have content similar to the above.</p>
Typical Lesson/Homework Activities. (How will I study?)	Mostly practical use of computers to complete coursework projects with some classroom activities for exam preparation.
Success Criteria (How will I be assessed?)	Not confirmed yet but likely to be 80% coursework and 20% exam.
Succession Paths Post-16 (What can I do with this qualification?)	<p>A—level Computer Science</p> <p>A– Level Computing</p> <p>BTEC Computing</p> <p>BTEC ICT</p> <p>Careers in ICT support or software.</p> <p>This qualification will go well with any other choice combination and supports any career path.</p>
